Culture (/ ˈkʌltʃ ˈɛtɪmɹ /) is the social behavior and norms found in human societies. Culture is considered a central concept in anthropology, encompassing the range of phenomena that are transmitted through social learning in human societies. Cultural universals are found in all human societies; these include expressive forms like art, music, dance, ritual, religion, and technologies like ...

Culture - Wikipedia

Political culture is defined by the International Encyclopedia of the Social Sciences as the "set of attitudes, beliefs and sentiments that give order and meaning to a political process and which provide the underlying assumptions and rules that govern behavior in the political system". It encompasses both the political ideals and operating norms of a polity.
