Classical ballet is based on traditional ballet technique and vocabulary. Different styles have emerged in different countries, such as French ballet, Italian ballet, English ballet, and Russian ballet. Several of the classical ballet styles are associated with specific training methods, typically named after their creators (see below).

Theatrical dance, also called performance or concert dance, is intended primarily as a spectacle, usually a performance upon a stage by virtuoso dancers. It often tells a story, perhaps using mime, costume and scenery, or else it may simply interpret the musical accompaniment, which is often specially composed. Examples are western ballet and modern dance, Classical Indian dance and Chinese and ...
