- [Voiceover] Hi, there. My name is Justin Seeley and I'm a staff author here at Lynda.com. I'd like to welcome you to this course on designing presentations. Whether you're pitching your big idea to a group of VCs or delivering a key note speech at a conference, or just showcasing annual sales numbers at your company retreat, having a good presentation is essential.

Designing a Presentation

Design (as a verb: to design) is the intentional creation of a plan or specification for the construction of an object or system or for the implementation of an activity or process.. Design (as a noun: a design) can refer to such a plan or specification (e.g. a drawing or other document) or to the created object, etc., and features of it such as aesthetic, functional, economic or socio-political.
