

dictionary of social sciences pdf

The Chinese Academy of Social Sciences (CASS), with historical origins in the Academia Sinica during the Republic of China era, is the premier, comprehensive national academic research organization in the People's Republic of China for the study in the fields of philosophy and social sciences, with the obligation of advancing and innovating in the scientific research of philosophy, social ...

Chinese Academy of Social Sciences - Wikipedia

The history of the social sciences has origin in the common stock of Western philosophy and shares various precursors, but began most intentionally in the early 19th century with the positivist philosophy of science. Since the mid-20th century, the term "social science" has come to refer more generally, not just to sociology, but to all those disciplines which analyse society and culture; from ...
