"Distracting the Duchess" is the first novel by Emily Bryan, but not the last, which is good news! This is just the kind of romance that I enjoy most: interesting and individual characters, quickly enmeshed in a story which includes some suspense and a mystery in need of solving, with lots of spicy sexy interludes and a good dollop of humor and whimsy.

Distracting the Duchess was a witty and refreshing novel. I really enjoyed the banter between Artemisia & Trevelyn and found myself laughing out loud throughout the story. I'm looking forward to my next Emily Bryan novel.
