Abstract. The authors argue that a free market paradigm facilitates wealth creation but does little to distribute that wealth in a just manner. In order to achieve the social goal of distributive justice, the concept of a fair market is introduced and explored.

### **Of Fair Markets and Distributive Justice | SpringerLink**

Distributive justice is concerned with the fair allocation of resources among diverse members of a community. Fair allocation typically takes into account the total amount of goods to be distributed, the distributing procedure, and the pattern of distribution that results.

RAWLS, RESPONSIBILITY, AND DISTRIBUTIVE JUSTICE Richard Arneson April, 1997 The theory of justice pioneered by John Rawls explores a simple idea—that the concern of distributive justice is to compensate individuals for misfortune. Some people are blessed with good luck, some are cursed with bad luck, and it is the responsibility of

### **Richard Arneson April, 1997 - UCSD Philosophy**

Distributive justice refers to the extent to which society’s institutions ensure that benefits and burdens are distributed among society’s members in ways that are fair and just. When the institutions of a society distribute benefits or burdens in unjust ways, there is a strong presumption that those institutions should be

changed.
