

drugs teens and recovery pdf

Can addiction be treated successfully? Yes, addiction is a treatable disorder. Research on the science of addiction and the treatment of substance use disorders has led to the development of research-based methods that help people to stop using drugs and resume productive lives, also known as being in recovery.

Treatment and Recovery | National Institute on Drug Abuse

How Science Has Revolutionized the Understanding of Drug Addiction For much of the past century, scientists studying drugs and drug use labored in the shadows of powerful myths and misconceptions about the nature of addiction. When scientists began to study addictive behavior in the 1930s, people addicted to drugs were thought to be morally flawed and lacking in willpower.

Preface | National Institute on Drug Abuse (NIDA)

Prescription drugs are commonly abused by teens and are worth keeping an eye on. If these medications aren't being taken from your medicine cabinet at home, your teen can score these pills from drug dealers just like they would illicit drugs, can steal them from friends or family members or can even develop a problem after being prescribed them straight from a doctor.
