

due diligence for intellectual pdf

Due diligence is the investigation or exercise of care that a reasonable business or person is expected to take before entering into an agreement or contract with another party, or an act with a certain standard of care.. It can be a legal obligation, but the term will more commonly apply to voluntary investigations. A common example of due diligence in various industries is the process ...

Due diligence - Wikipedia

The Hong Kong Sponsor Due Diligence Guidelines have been developed as an initiative of Hong Kong sponsors for the purpose of promoting standards in the conduct of due diligence in respect of new Hong Kong listings of equity securities with a view to maintaining the integrity of the Hong Kong market and, in particular, to assuring the quality of information disclosed in listing documents.

Introduction. Over the past 20 years or so, a peculiar (at least in the author's opinion) difference has grown between the European and American manner of conducting auction sales processes for private equity transactions. 1 In the European style of practice, the development of which first began in England, it is routinely the case that before a seller (the vendor, in European parlance ...
