Had any conversations with your Mexican mechanic lately, when you were reduced to pointing and gesturing when trying to describe what's wrong with your car? Has your Mexican mechanic tried to explain just what the problem was, and what parts he replaced, and what still needs fixing? Auto terminology is it's own special little world!

I'm a marketing director for a good-size company (Palram Americas) who also does some freelance work on the side (Sensible Marketing). Because I have a full-time job, I don't like to spend a lot of time or money finding side-work, and I prefer to take jobs that I can convert into long-term, sustainable clients.
